GROUP RETIREE INSURANCE PLAN SUMMARY OF COVERAGE

- ¹ This chart describes coverage that is only available to persons who are at least 65 and Medicare-eligible. Medicare amounts typically change January 1 of each year.
- ² A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row. Hospital does not include any institution or part thereof that is used primarily as a nursing home, convalescent home, or Skilled Nursing Facility; a place for rest, custodial, educational or rehabilitory care; a place for the aged; or, a place for alcoholism or drug addiction.
- ³ If any of the cancer screening tests are not covered by Medicare, the plan will pay the usual and customary charges incurred. Please refer to your certificate for a full description of preventive screenings.

Please note this policy also may cover certain benefits mandated by the state where the employer is sitused or the state where you reside. Refer to your certificate for a description of any additional benefits.
