

Take the Challenge That's Right for You

Celebrate **Financial Literacy Month** by taking our Retire Well Challenge! Choose from five different challenges based on your savings goals and commit to making progress toward a more secure financial future.

What challenge will you choose in order to make smart moves for your finances?

- **Start saving** – Easily enroll in your employer's plan with a few simple steps.
- **Build your savings** – Even a small increase in your savings can make a difference over the long term.
- **Meet with your plan representative** – Your MissionSquare Retirement Plans Specialist is here to help you realize your retirement goals.
- **Attend a financial planning webinar** – Get up to speed on popular topics like investing and managing debt.
- **Help make your savings last** – Create a strategy for withdrawing your money in retirement.

MissionSquare Retirement is here to serve your financial and retirement planning needs to and through retirement.

To learn more, visit missionsq.org/financial-literacy-month and get started today.
